REF: Amended FEC Report Eugene Yu For US Congress

FEC,

You have asked for clarification on a negative cash balance and a reduction in receipts.

When the last report was amended, an error was found where a loan from the candidate was posted twice due to it being deposited after hours on the last day of the quarter but showing on the next month's (quarter's) bank statement. It was thus posted in both the third and fourth quarter reports. It was deleted from the third quarter thus reducing receipts.

Since there has never been a negative balance, on further review of your request, the following was discovered. This was the beginning of the campaign and the candidate was using his personal monies for expenses and while these were posted as campaign expenses, offsetting loans were not recorded. This has been corrected in this report.

If you need any additional information, please let us know.

Sincerely,

A handwritten signature in black ink, appearing to read "Donnie Miller".

Donnie Miller
